GDG on Campus PUP × DataCamp Scholarship
Memorandum of Agreement (MOA)

This Memorandum of Agreement is made and entered into as of the <u>30</u> day of <u>January</u>, 2024, by and between:

Google Developer Groups on Campus Polytechnic University of the Philippines (GDG on Campus PUP), through its Data and Machine Learning Team, hereinafter referred to as the **'Technology Department,'** and **<u>RASTY CANNU ESPARTERO</u>**, hereinafter referred to as the **'Scholar.'**

WHEREAS:

The Data and Machine Learning Team of GDG on Campus PUP, in collaboration with DataCamp, administers a scholarship initiative designed to promote the development of technical skills in data science, machine learning, and related disciplines through access to premium online learning resources.

The program aims to empower scholars to enhance their knowledge and expertise, contributing to the broader goal of advancing data literacy and fostering technical proficiency among individuals in the Philippines.

The Scholar has been carefully selected based on their application and demonstrated interest, making them eligible to participate in the GDG on Campus PUP x DataCamp Donates Scholarship Program under the terms and conditions set forth in this agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Program Objectives

1.1. To provide scholars with free premium access to DataCamp's resources, equipping them with tools to enhance their knowledge and skills in data science, machine learning, and related fields.

1.2. To cultivate a community of learners, fostering collaboration and mutual support among scholars as they progress through the program.

2. Scholar's Commitments

2.1. The Scholar agrees to fulfill the following responsibilities during their participation in the program:

a. Earn a minimum of 7,000 XP (~3 courses per month) monthly on DataCamp, which translates to completing approximately three courses per month.
b. Use the hashtag #DCDonates when posting updates, progress, or achievements on any social media platform.
c. Actively participate in the learning community and engage with the DataCamp courses and resources.
d. Complete at least one introductory course within 7 days of receiving the invitation to the program. Failure to meet this requirement will result in automatic forfeiture of the scholarship.
e. Answer the success story forms detailing their experience and achievements within the program.
f. Post at least once on both LinkedIn and Facebook, highlighting how DataCamp has contributed to their learning journey, and include the hashtag #dcdonates.
g. Maintain consistent activity throughout the program duration, beginning within 1 week of receiving access to the scholarship.

2.2. The Scholar acknowledges that failure to meet any of the following requirements may result in the immediate forfeiture of the scholarship:

a. **Not responding to the acceptance email within 5 days.**
b. **Failing to achieve the 7,000 XP monthly goal.**
c. **Remaining inactive in the courses for a prolonged period.**
d. **Being inactive for a consecutive period of 14 days without prior notice or valid justification.**

2.3. The Scholar agrees to provide accurate and complete information upon enrollment, including their full name, date of birth, city of residence, and (if applicable) student number.

3. Technology Department's Commitments

3.1. The Data and Machine Learning Team of GDG on Campus PUP agrees to:

a. Provide the selected Scholar with free premium access to DataCamp's resources for the duration of the scholarship.
b. Offer guidance, support, and encouragement through program channels to ensure the Scholar's successful completion of the program.
c. Recognize and celebrate outstanding achievements by Scholars through program communications and community updates.

3.2. The Technology Department reserves the right to reallocate access to other applicants if:

a. The Scholar fails to meet the requirements outlined in Section 2.
b. The Scholar misuses the program, violates its terms, or engages in activities that undermine the program's objectives.

4. Duration and Termination

4.1. The Scholar's access to the program is valid for the duration of the scholarship period, contingent on adherence to the program requirements.

4.2. Either party may terminate this agreement in the event of a breach of its terms. Termination by the Technology Department will be communicated in writing.

5. Confidentiality

The Scholar agrees not to share or distribute their premium access credentials to others. Any unauthorized use or distribution of credentials will result in immediate termination of access and possible further action.

6. General Provisions

6.1. This agreement constitutes the entire understanding between the parties regarding the subject matter and supersedes all prior agreements.

6.2. Any amendments to this agreement must be made in writing and signed by both parties to be valid.

IN WITNESS WHEREOF, the parties have signed this agreement as of the date first above written.
